

Rev S. May

---

Sept. 22/64.

Thursday

Darney

I am just moving  
back to town & probably  
will not be able to attend  
the Board meeting -

Bah! protest  
against one dollar's  
expense toward the  
continuance of the

Standard - I consider  
it a disgrace to the  
Society & a hand upon  
it judged by the last  
six months. I trust  
that Bowditch, in  
conformity with my  
protest, three months

ago, has pulled rein  
before the trial is  
wholly empty - so that we  
have still found to  
Supply subscribers to the  
close of their Satyr. I  
do. repudiate any dollar  
toward such supply  
in virtue of such

notest.
